## Certificate of Analysis

---

Product: Reagent Alcohol, Ethanol Denatured  
CAS# 64-17-5 (~90%)  
Date of Manufacture: April-29-2025

CP-C9085  
Lot# DEP243  
Retest Date: April-28-2028

Meets ACS Specifications

| Test                         | Results          |
|------------------------------|------------------|
| Appearance                   | Colorless liquid |
| Assay (methanol and ethanol) | 95.0%            |
| Assay (2-propanol)           | 5.0%             |
| Water                        | 0.016%           |
| Color                        | <10              |
| Result after evaporation     | <0.5 ppm         |
| Specific Gravity at 25C      | 0.787            |
| UV Cutoff                    | 203nm            |
